Form Preview

What is the name or title of your solution? *

How would you describe the type of solution you have? *

e.g. tech, sustainability, policy, education, financial, social etc

What stage is your solution at? *

Provide a brief description of your solution *

Word count:

Must be no more than 200 words.

Earthshot areas (25%)

Read about the Earthshot areas and cross-cutting enablers on pages 23-44 in the roadmap document: [The-Earthshot-Prize-Roadmap-2023.pdf \(earthshotprize.org\)](#)

What is the primary Earthshot area your solution addresses? *

What is the secondary Earth shot area your solution addresses? *

Which cross-cutting enablers could be adopted by your innovation to accelerate growth and impact? How would you integrate these into your solution and how would they enhance your innovation? * *

Word count:

Must be no more than 200 words.

*We are interested in how innovators embrace these enablers to achieve change and build a credible scale model, not necessarily how many of these enablers they use in some incidental way.

Potential for global impact (25%)

Read page 20 of The Earthshot Roadmap document: [The-Earthshot-Prize-Roadmap-2023.pdf \(earthshotprize.org\)](#)

What is the potential for your innovation to have global impact? What current and future environmental and social issues does your solution address/ impact? How can your innovation transform the field it addresses? *
