Form Preview

Provide a short description (150 words recommended) of your project.

Impact & Scalability

* indicates a required field

What cross-sector challenge or opportunity will your project address? *

- ☐ Food security: Strengthen the resilience and adaptability of Australia's food and agricultural systems, including critical inputs and business continuity during disruptions.
- ☐ AI and digital transformation: Build trust, skills and capability to support the adoption and responsible use of AI, digital technologies and data.
- ☐ Workforce diversity: Strengthen inclusive and diverse workplace practices and position agricultural businesses as employers of choice.
- ☐ Workplace safety: Build industry capability to implement preventative measures that improve work health and safety outcomes across agriculture.

What impact will your project have on sector-wide capability across agriculture?

(Include how many people will benefit, which stakeholder groups it will benefit, which parts of the industry will be reached, and how the project could grow or be repeated.)

How will you keep growing the project beyond the bursary period?

Who are the main people or groups involved, and how will they help design and deliver the project?

How will you measure if your project is successful and report on the results?

Please note, you will have to report back to AgriFutures at the end of project around retention and attraction.
